2007 AJEI Summit

September 27-30, 2007

Lincoln Memorial
Washington, D.C.

PROGRAM AGENDA

Join us at the Appellate Judges Education Institute's 2007 Summit in Washington, D.C. on September 27-30, 2007. The AJEI brings together federal and state appellate judges through the Spencer-Grimes Seminar (SG), appellate staff attorneys (CASA), and appellate lawyers (CAL) for an excellent program of education.

This year's Summit takes advantage of our location in the Nation's Capital to highlight programs involving the intersection of federal and state law, as well as programming designed for the particular needs of each group. The program agenda designates those programs that have been planned for all groups and those that are specifically designed for each group. However, Summit participants may attend the programs of a different group if the topic matter is more germane to their educational needs.

Judges, staff attorneys, and lawyers can expect an exciting array of education and events in Washington including a reception at the Supreme Court of the United States and a reception at the U.S. Court of Appeals for the Armed Forces.
